

Devious nature - 1/2

Interprété par Julie Masse.

She got married when the time
was right
Virgin on her wedding night
He wasn't one for a storybook
romance
But he's king of the castle no
questions asked

Devious nature
No chance to grow
Devious nature
She had no control
Devious nature
She was his to own
He had no intention of letting go

He was never too emotional
Real men don't cry at all
Ornamens adorn her face
Glamour is a woman's place

Devious nature
They were always told
Not to break the silence not
to break the mould
Devious nature
Can be dangerous
When there is no blance
Someone's powerless

I believe we'd never change,
she said
"Now we're rivals while we
play pretend"

Little girls are delicate
Brush up on their etiquette
Giggle and play hard to get

Little boys are though as bricks
Brush up on their politics
Become heroes, become
mavericks

Devious nature
They were always told
Not to break the silence not

Devious nature - 2/2

to break the mould
