

## I will be there - 1/2

**Interprété par Julie Masse.**

When I close my eyes  
I can always see the shining  
gardens you left for me  
And I ask the magic stars if you  
can  
Rise up like phoenix  
And touch my hand

You know sometimes it's hard  
living here without you  
Send me your angels of wonder  
tonight  
I will hear you

If you ever get hurt and your  
sunlight is lost  
You don't have to give in  
You don't have to give up  
If the skies above rain and  
thunder despair  
Just cry on my shoulder  
I will be there

When I'm feeling sad  
I look to your world  
Where all the colours lead my way  
There I sing with joy  
I dance on the clouds  
For I am near you

It tears my heart inside  
We never said goodbye  
All of the worlds left unspoken  
I send you forever

(repeat chorus)

Don't ever think that I won't  
Carry your spirit or carry your  
dreams for me  
Don't ever be afraid  
That I won't catch your son light  
made

(repeat chorus)

If you ever lose faith

## I will be there - 2/2

Please don't be afraid  
'Cause I won't let your soft light  
fade  
I will be there
