

## Letting go - 1/2

**Interprété par Julie Masse.**

They say that if you love  
somebody  
You've gotta' set them free  
Anf if you really love  
somebody  
You're gotta' let them be

Well, I don't wanna' tie you  
down  
We both need room to grow  
But it's so easy havin' you  
around  
And the hardest part of love  
is letting go

It's easy to depend on someone  
To be part of your life  
And all the time you spend  
with someone  
Could make you hold too tight

But, I don't wanna' tie you  
down  
We both need room to grow  
But it's so easy havin' you  
around  
And the hardest part of love  
is letting go  
Letting go

The hardest part of love is  
letting go  
The hardest part of love is  
letting go

They say that if you hold on to  
It is gonna' slip away  
But the feeling's really true  
Then you know it's  
gonna' stay

But, I don't wanna' tie you  
down  
We both need room to grow  
But it's so easy havin' you  
around  
And the hardest part of love
