

Word up! - 1/1

Interprété par Korn.

Yo pretty ladies around the world
Got a weird thing to show you
So tell all boys and girls
Tell your brother, your sister and your mom, too
We're about to go down
And you know just what to do
Wave your hands in the air like you don't care
Gilde by the people as they start to look and stare
Do your dance, do your dance quick mom,
Come on baby tell me what's the word

Refrain:

Word up! Everybody say
When you hear the call you've got to get in underway
Word up! It's a code word
No matter where you say it you know that you'll be heard

Now all you sucker DJ's who think you're fly
There's got to be a reason and we know the reason why
You try to put on those airs and you act real cool
But you got to realise that you're acting like fools
If there's music we can use it
Be free to dance
We don't have time for psychological romance
No romance, no romance, no romance for me mam
Come on baby tell me what's the word

Refrain x3
