Interprété par My Chemical Romance.

Long ago

Just like a hearse you die to get in again

We are so far from you

Burning on just like a match you slide to incinerate

The lives of everyone you knew

And what's the worst to take,

(Worst you take)

From every heart you break

(Heart you break)

And like the blade you stain

(Blade you stain)

Well I've been holding on tonight

What's the worst thing I can say?

Things are better if I say

So long and goodnight

So long not goodnight

Came a time

When every star fall brought you to tears again

We are the very hurt you sold

And what's the worst to take,

(Worst you take)

From every heart you break

(Heart you break)

And like the blade you stain

(Blade you stain)

Well I've been holding on tonight

What's the worst that I can say?

Things are better if I say

So long and goodnight

So long not goodnight

And if you carry on this way

Things are better if I say

So long and goodnight

So long not goodnight

Can you hear me?

Are you near me?

Can we pretend

To leave and then

We'll meet again

When both our cars collide

What's the worst thing I can say?
Things are better if I say
So long and goodnight
So long not goodnight

Well if you carry on this way
Things are better if I say
So long and goodnight
So long not goodnight
