

Best day of my life - 1/1

Interprété par Jesse McCartney.

Woke up around a half past ten
Can't believe that I'm late again
Put down about a quart of caffeine
To start my pulse and then
I grabbed my jeans off the floor,
And I hit the door...

Just the same old same
Just goes to show, you never know
When everything's about to change...

[refrain]
Just another day,
That started out like any other-
Just another girl,
Who took my breath away...
Then she turned around,
She took me down-
Just another day that I,
Had the best day of my life...

Can't say exactly what it was,
She's not the usual type.
She wore a cowboy hat with the red Prada boots
And a Gwen Stefani smile.
Then she pulled out a pen
And surprised me when,
She wrote her number on my hand
Then she was gone, from now on
I'm gonna be a different man...

[refrain]

I guess it goes to show
You never really know when
Everything's about to change

[refrain 2x]

[The best day of my life
Started out like any other]

Had the best day of my life
The best day of my life
The best day of my life
