

## In my head - 1/1

**Interprété par Queen Of The Stone Age.**

It's the cruelest joke to play  
I'm so high, I run in place  
Only a line we separate  
So...

I keep on playin our favorite song  
I turn it up while you're gone  
It's all I got when you're in my head  
And you're in my head so I need it

You're the only thing I've got  
That I can't seem to get enough  
We collide for one embrace  
So...

I keep on playin our favorite song  
I turn it up while you're gone  
It's all I got when you're in my head  
And you're in my head so I need it

Hurry up and wait forever  
Hurry up and wait forever
