

Tallulah - 1/1

Interprété par Sonata Arctica.

Remember when we used to look how sun set far away?

And how you said: "this is never over"

I believed your every word and I guess you did too

But now you're saying : "hey, let's think this over"

You take My hand and pull me next to you, so close to you

I have a feeling you don't have the words

I found one for you, kiss your cheek, say bye, and walk away

Don't look back cause I am crying

I remember little things, you hardly ever do

Tell me why.

I don't know why it's over

I remember shooting stars, the walk we took that night

I hope your wish came true, mine betrayed me

You let my hand go, and you fake a smile for me

I have a feeling you don't know what to do

I look deep in your eyes, hesitate a while...

Why are you crying?

Tallulah, It's easier to live alone than fear the time it's over

Tallulah, find the words and talk to me ,oh, Tallulah,

This could be... heaven

I see you walking hand in hand with long-haired drummer of the band

In love with her or so it seems, he's dancing with my beauty queen

Don't even dare to say you hi, still swallowing the goodbye

But I know the feelings still alive- still alive

[Solo]

I lost my patience once, so do you punish me now

I'll always love you, no matter what you do

I'll win you back for me if you give me a chance

But there is one thing you must understand

[Chorus]
