

Absence of fear - 1/1

Interprété par Jewel Kilcher.

Inside my skin
There is this space
It twists and turns
It bleeds and aches
Inside my heart
There's an empty room
It's waiting for lightning
It's waiting for you

I am wanting
And I am needing you
Here inside the absence of fear

Muscle and sinew
Velvet and stone
This vessel is haunted
It creaks and moans
My bones call to you
In a separate skin
I'll make myself translucent
To let you in

I am wanting
And I am needing you
Inside the absence of fear

There is the splendor
Secret inside of me
And it knows that you're no stranger
You're my gravity
My hands will adore you through all darkness
And they will lay you out in moonlight
And reinvent your name

I am wanting
And I am needing you
Here I need you near
Inside the absence of fear
