

The final act - 1/1

Interprété par Mushroomhead.

Wide Eyed Sleepers Death In Motion
Daylight Creepers Wearing All Night Pain
Bleeding Moments Spilling Over
Non-existing As They Crawl Out
Into A World That Calls Them Real

Sign The Contract It's The Final Act
Matter Of Fact Better Take A Step Back
Relax The Show Must Go On
No One So On And So On (refrain)

As If Under Mass Hypnosis
The Wide Eyed Sleepers Fall Into Mass Graves
They'll Feel Safer In The Dirt
Their Own Opinions Won't Be Heard
If Asked Could You Decide
What Any Man Is Worth

(refrain) (X2)

Could You Decide? (X4)
They Steal It With A Handshake
Seal It With A Smile
Feel it Like An Earthquake
Treats You Like A Child
Defeats You With Your Mistakes
Leaves You In Denial
Deceives You In The First Place
Lied To All The While

They Can't See Anymore
How Their Wide Eyes
Have Made Them
Blind In Spite Of Themselves
