

Stop crying your heart out - 1/1

Interprété par Oasis.

Hold up... hold on... don't be scared
You'll never change what's been and gone
May your smile... Shine on... Don't be scared
Your destiny may keep you warm.

Cause all of the stars are fading away
Just try not to worry you'll see them some day
Take what you need and be on your way
And stop crying your heart out

Get up... Come on... why you scared
You'll never change what been and gone

Cause all of the stars are fading away
Just try not to worry you'll see them some day
Take what you need and be on your way
And stop crying your heart out

Cause all of the stars are fading away
Just try not to worry you'll see them some day
Take what you need and be on your way
And stop crying your heart out

Well all of the stars are fading away
Just try not to worry you'll see them some day
Take what you need and be on your way
And stop crying your heart out
Stop crying your heart out
Stop crying your heart out
