

Bad day - 1/2

Interprété par Daniel Powter.

where is the moment when we need it the most
You kick up the leaves and the magic is lost
they tell me your blue sky's faded to grey
they tell me your passion's gone away
And I don't need no carrying on

Stand in the line just ahead of the law
You're faking a smile with the coffee you go
You tell me your life's been way off line
You're falling to pieces every time
And I don't need no carrying on

'cause you had a bad day
You're taking one down
You sing a sad song just to turn it around
You say you don't know
You tell me don't lie
You work at a smile and you go for a ride
You had a bad day
The camera don't lie
You're coming back down and you really don't mind
You had a bad day
You had a bad day

well you need a blue sky holiday
the point is they laugh at what you say
And I don't need no carrying on

You had a bad day
You're taking one down
You sing a sad song just to turn it around
You say you don't know
You tell me don't lie
You work at a smile and you go for a ride
You had a bad day
The camera don't lie
You're coming back down and you really don't mind
You had a bad day

Sometimes the system goes on the blink and the whole thing it turns out
Wrong
You might not make it back and you know that you could be well oh that Strong
Well I'm not wrong

So where is the passion when you need it the most
Oh you and I

Bad day - 2/2

you kick up the leaves and the magic is lost

'cause you had a bad day

You're taking one down

You sing a sad song just to turn it around

You say you don't know

You tell me don't lie

You work at a smile and you go for a ride

You had a bad day

You see what you like

And how does it feel one more time

You had a bad day

You had a bad day

You had a bad day.
