

Sanctified - 1/1

Interprété par Nine Inch Nails.

It's still getting worse after everything i tried
What if i found a way to wash it all aside
What if she touches with those fingertips
As the words spill out like fire from her lips

If she says come inside i'll come inside for her
If she says five it all i'll give everything to her
I am justified
I am purified
I am sanctified
Inside you

Heaven's just a rumor she'll dispel
As she walks me through the nicest parts of hell
I still dream of lips i never should have never kissed
Well she knows exactly what i can't resist

If she says come inside i'll come inside for her
If she says five it all i'll give everything to her
I am justified
I am purified
I am sanctified
Inside you

I'm just caught up in another of her spells
She's turning me into someone else
Everyday i hope and pray this will end
But when i can i do it all again

If she says come inside i'll come inside for her
If she says five it all i'll give everything to her
I am justified
I am purified
I am sanctified
Inside you

As surely as the blades course is run
Maybe my kingdom's finally come
