

Into the void - 1/1

Interprété par Nine Inch Nails.

tried to save myself but myself keeps slipping away

talking to myself all the way to the station
pictures in my head to the final destination
all lined up

(all the ones that aren't allowed to stay)
tried to save myself but myself keeps slipping away

tried to save a place from the cuts and the scratches
tried to overcome the complications and the catches
nothing ever grows and the sun doesn't shine all day
tried to save myself but myself keeps slipping away

tried to save myself but myself keeps slipping away
