

With teeth - 1/1

Interprété par Nine Inch Nails.

She comes along, she gets inside
She makes you better than anything you've tried
It's in her kiss, the blackest sea
And it runs deeper than you dare to dream it could be

With teeth
She's holding on
With teeth

Wave goodbye, to what you were
The rules have changed, the lines begin to blur
She makes you hard, it comes on strong
You've finally found, the place where you belong

With teeth

I can not go through this again

With teeth
She is the greatest lie of all

She will not let you go, keeps holding on
This time I'm not coming back
