

Anything - 1/1

Interprété par Skold.

I go down on my knees,
I do everything I can to please.
I give in, I obey,
I comply with every word you say.
I give up all control,
existing for you're beck and call.
Nothing left to defend,
I surrender everything I am.
I'll do anything,
anything you want.
I'll do anything,
anything at all.
Make me plead,
make me beg,
punish me across your leg.
I'm the slut,
I'm the slave,
make me promise that I will behave.
Tie me down, fill me up,
you decide when I've had enough.
I'm the bitch,
I'm the whore,
you give me all you got but I still want more.
I'll do anything,
anything you want.
I'll do anything,
anything at all.
Suffer and be used,
after all I've done for you.Submission.
Commit to the abuse,
after all I still love you.Submission.
I'll do anything,
anything you want.
I'll do anything,
anything at all.
