

## Cry baby - 1/1

**Interprété par Pig.**

(Translated Into English)

I Haven't Stopped Crying  
It Happens Sometimes  
After Dark  
When My Mind Goes Places  
I'd Like To Go  
I Close My Eyes  
And Dream I'm Crying  
Lying Close To You  
Lying

I Close My Eyes  
To Stop The Tears  
That Should Have Stopped  
When I Stopped Loving You  
I Close My Eyes  
To Forget  
Crying Over You  
And I Do  
But I Lie

I Haven't Looked Back  
Since I Got Out  
But I Go Back There Sometimes  
Picking Up Peices  
I Dropped  
Broke  
Forgot  
And I Think  
I'd Like To Take You Back There  
To Get Lost  
Where You'd Cry  
Like I Cry

Don't Touch Me  
Nothing Touches Me  
Cause I Cry Baby
