Enough
Limbs yielding
Revealing
Attributions sublime
Everlasting eyes aglow studded in a face of suede
Leather waits
Hot blood
Fast flashes of ravishing flesh worthy of relish
This kiss of bliss
Swooping down
Feasting on sweet succulent rosebud delights
Teethe under tongue
Lick along lips
Grab the jaw
Make sure there's no mistake
Follow the rainbow
Ply the jugular
Palm the neck
Whisper in a glistening ear
Fingertip-tip toe nape and scalp and scratch and scape around
High times
Bite the little bit on the edge of ascension
Taste at leisure
Sample the gun
Swimming in sweat
Drowning
Diving for more nooks and crannies
Scanning for stretchings and swellings of skin
Exposing the nerves to their own nervous functions
Tossing
Turning
Burning off sin
Beating the bushes
Questing
Quenching
Pacing the pulse
Linked limbs
Heads resting
Heavens above
Digesting
Down on the ground with milk and honey
Oozing
Cradling the catch
Leaded lips
Fading
Everlasting eyes aglow studded in a face of suede
Dreaming
