

## F.o.m - 1/2

### Interprété par Pig.

Give Me Your Waisted Life  
Give Me Your Tainted Knife  
Give Me Your Guiltless Greed  
Your Bloated Bleeding Need

Give Me Your Waisted Life  
Give Me Your Tainted Knife  
Give Me Your Guiltless Greed  
Your Bloated Bleeding Need

This Is The Time The Killing Season  
Where's The Rhyme Where's The Reason  
Your Filthy Hearts Decieving  
The Void That You Believe In

Pour Some Pity On Your Pain  
Nothing Hurts Like Nothing Gained  
Now You've Had Your Little Treat  
The Rancid Halo Crowns Your Feet  
Disinformation Dominates  
The Fungus That You Eminate  
Your Envy Evens Up The Score  
Your Hating Heart Just Begs For More

Mercy Waits Beyond The Gate  
And Every Time Its Always Late  
The Weakest Link Breaks The Chain  
A Little Flash A Little Flame  
Come Forward Bless Your Head  
Six Lead Lead Colors Red  
Glitter Sweat And Sin You Are  
Your Whoring Heart Just Begs For More

Give Me Your Waisted Life  
Give Me Your Tainted Knife  
Give Me Your Guiltless Greed  
Your Bloated Bleeding Need

Give Me Your Waisted Life  
Give Me Your Tainted Knife  
Give Me Your Guiltless Greed  
Your Bloated Bleeding Need

My Stumbling Blocks Your Stepping Stone  
The Architect Sits Alone  
Take Your Time Tame The Torture  
Now The Crime Amends To Slaughter

## F.o.m - 2/2

This Long Confession Will Call  
Through Bluing Lips And Layered Spite  
Penetrate Remonstrate  
On Tender Lives You Defecate

The Spectre Of Democracy  
Whose Empire Is Obscurity  
Glitter Sweat And Sin You Are  
Your Cannon Canonized No More

Give Me Your Waisted Life  
Give Me Your Tainted Knife  
Give Me Your Guiltless Greed  
Your Bloated Bleeding Need

Give Me Your Waisted Life  
Give Me Your Tainted Knife  
Give Me Your Guiltless Greed  
Your Bloated Bleeding Need

Your Corpse Is Colored Red  
Corrode Corruptions Words  
The Burning Light Is Blurred  
The Sick Survive Unheard  
Your Corpse Is Colored Red  
Corrode Corruptions Words  
Envy Opens The Door  
Just A Little Bit More
