

Fuck me (avec pig) - 1/1

Interprété par Kmfdm.

Amuck, here I hide
A severed head I keep alive
Ive got losers blood, heres my pride
looking down the barrel of a forty-five

Stick me, leave, dont say you need me
Dick me, suck me, come on
Fuck me
Fuck me
Fuck you
Fuck me
Fuck me
Fuck you

You dont have to look at the man
to be swinging, poking in the fire

I'm young dum, full of fun
I feed my fire, fist in me cum
The light of my life is a switchblade knife
This gun becomes my lawful wife

Fick mich
Fick mich
Fick mich
Fick mich

I wanna kill, I wanna cut
alright shut up
I wanna feel myself tonight
I wanna feel this noose grow tight
I will devour and taste the power
as I crawl my tonic mile
Caress your stubborn hair
when I was a flaming lover

Stick me, leave, dont say you need me
Dick me, suck me, come on
Fuck me
Fuck me
Fuck you
Fuck me
Fuck me
Fuck you
