

Get up - 1/1

Interprété par Unwritten Law.

Here's to the morning
Think that I'm bored ad crazy
Yes I have been, you get off when I give in
I need my second wind
And I just can't take it anymore

Get up
Cause I'm bored
Get up off the floor

Business as usual 1, 2, 3
Ooh la de da de come party with me

Get up
Cause I'm bored

Come entertain us
So stupid it's contagious
Mess that I've been in I'll get off when you get in
It never seems to end
And I just can't fake it anymore
I just can't take and I've heard it all before

Oh don't be so dramatic
I know you've almost had it

I tried to show you but you won't go,
Don't know how
