Interprété par Fig.

Spank the monkey
Spank the monkey
Spank the monkey
Spank the monkey

The final straw is counter-arriving
My new leg still does the driving
This trying fix will hold the nerve
And take the shit that you deserve
You deserve

Take it all back
Take it all back
Take it all back
Take it all back

Take it back
Take it back
Take it back
Take it back

Monkey
Spank the monkey
Monkey
Spank the monkey

This post-apocalyptic pig
Assassination generation
Germinating my deceit
Spank the monkey for relief

Spank the monkey
Spank the monkey
Spank the monkey
Spank the monkey

Monkey
Monkey
Monkey
Monkey

Monkey
Spank the monkey
Monkey
Spank the monkey
