

A new king of love - 1/1

Interprété par D'geyrald.

I cross the sun shine
All I want to say
Looks like a sign
I cross the sun shine
All I want to say
Looks like a sign

And I don't want to feel it alone
Travel from the sunshine to the light
Around this side
When will love you
Maybe will born
A new kind of love

I cross the sun shine
All I want to say
Looks like a sign
I cross the sun shine
All I want to say
Looks like a sign

And your eyes will not shed
Tears of blood
Even if you're different you need love
Around this side
When I will love you
Maybe will born
A new king of love

A new king..A new king of love
A new king..A new king of love

I cross the sun shine
All I want to say
Looks like a sign
I cross the sun shine
All I want to say
Looks like a sign

I cross the sun shine
All I want to say
Looks like a sign
I cross the sun shine
All I want to say
Looks like a sign
