

One of a kind (album meds) - 1/2

Interprété par Placebo.

On top of the world you get nothing done
Talk is cold and burns like the sun
Can't you see these skies are breaking
Cos on top of the world is where I'm from

The back of the class is where I was,
Keeping quiet playing dumb
Can't you see these skies are breaking
Cos the back of the class is where I'm from

And I am one
I am
I am one
I am, I am, I am, I am, I am

I'm on a race and it's killing time
I don't need yours I'll keep it with mine
Can't you see these skies are breaking
Cos I'm on a race and I'm doing fine
Thank you

Two of a kind and no one home
I'm in a crowd and I'm still alone
Can't you see these skies are breaking
Cos one of a kind is all I own

I am one
I am
I am one
I am, I am, I am, I am, I am

Out of the womb and into the void
I wanna try but I get annoyed
Can't you see these skies are breaking
Cos outa the womb and into the void

I am one
I am
I am one
I am, I am, I am, I am
I am one
I am
I am one
I am, I am, I am, I am, I am

On top of the world you get nothing done
