

How to be dead - 1/1

Interprété par Snow Patrol.

Please don't go crazy if I tell you the truth
No you don't know what happened and you never will if
You don't listen to me while I talk to the wall
This blanket is freezing it's been out in the hall
Well you had me for hours till I'm sure what I want
But darling I want the same thing that I wanted before
So sweetheart tell me what's up I won't stop no way

Please keep your hands down and stop raising your voice
It's hardly what I've been doing if you give me a choice
It's a simple suggestion can you give me sometimes
So just say yes or no
Why can't you shoulder the blame
Coz both my shoulders are heavy from the weight of us both
You're a big boy now so let's not talk about growth
You've not heard a single word I have said, oh my god

Please take it easy it can't all be my fault
I haven't make half the mistakes that you've listed so far
Oh baby let me explain something it's all down to drugs
At least I remember taking them and not a lot else
It seems I've stepped over lines
You've drown again and again
But if the extacy's in the wit it's definitely out
Doctor Jeckyl is wrestling Hyde for my pride
