

## Poor jack - 1/1

## Interprété par The Nightmare Before Christmas.

What have i done?
What have i done?
How could i
be so blind?
All is lost,
where was I?
Spoiled all
spoiled all
Everything's
gone all wrong

What have I done?
What have I done?
Find a deep cave to hide in
In a million years they'll find me
Only dust
and a plaque
That reads, "Here Lies Poor Old Jack"

But I never intended all this madness, never And nobody really understood, well how could they? That all I ever wanted was to bring them something great Why does nothing ever turn out like it should?

Well, what the heck, I went and did my best And, my God, I really tasted something swell, that's right And for a moment, why, I even touched the sky And at least I left some stories they can tell, I did

And for the first time since I don't remember when I felt just like my old bony self again And I, Jack, the Pumpkin King That's right, I am the Pumpkin King, ha, ha, ha

And I just can't wait until next Halloween 'Cause I've got some new ideas that will really make them scream And, my God I'm really gonna give it all my might Uh oh, I hope there's still time to set things right Sandy Claws, hmm
