EUROPOP x4

It's a musical kink coming from our roots
And we play it loud cause it's groovy with a style

It's a cultural thing from all country wide
It's a musical flag and call it Europop

Always Europop
Europop...

From the TV sets to the radio
You can feel the force of the music in the night

All through Amsterdam straight to Italy
You can feel the beat of a European thing

Always Europop
Europop...

All through Amsterdam straight to Italy
You can feel the beat of a European...
All through Amsterdam straight to Italy
You can feel the beat of a European...

Always Europop
Europop...
