

# You Could Have It So Much Better - 1/1

Interprété par Franz Ferdinand.

The last message you sent  
Said I looked really down  
That I ought to come over  
And talk about it  
Well, I wasn't down  
I just wasn't smiling at you, yeah

As I look at us now it seems  
That you're slapping my back  
As if it's alright  
But it's not  
I'm trying to get up  
But you're pushing me down  
Yeah, you're pushing me down  
So I'll get on my own

So I'll get up on my own, get up on my own  
Get up on my own, I'll get up on my own

Now there's some grinning goon  
On my TV screen  
Telling us all that it's alright,  
Because she wears this and he said that and  
If you get some of these  
It'll all be alright  
Yeah, if you get some of these  
It'll all be alright  
Well, I refuse to be a cynical goon  
Passing the masses an easy answer  
Because it won't be alright  
Oh no, it won't be alright  
It won't be alright  
Unless you get up  
Come on and get up

Well I'm just a voice in your earpiece  
Telling you no, it's not alright  
You know you could have it so much better  
You could have it so much better  
If you tried
