

Can't exist - 1/1

Interprété par Joseph Athur.

Why I can't exist ?
When you disappiare ?
They was a grey sky tonight
I've love everything...

Refrain:

Oh, oh
Sister don't be scared
A thousand time for more
I walk to realize
I'm feel again

I will always be for you, mother
I will always be for you father 2fois
I will always be for you sister
I will always be for you broher

Why I can't exist
So I can explain
How I lost my arms in the street again ?
