

# She's got balls - 1/1

**Interprété par Ac/dc.**

She's got style that woman  
Makes me smile that woman  
She's got spunk that woman  
Funk that woman

She's got speed my lady  
Got what I need my lady  
She's got the ability  
To make a man out of me  
But most important of all  
Let me tell ya

Refrain : The lady's got balls  
She's got balls  
She's got balls  
She's got balls

She's got soul my lady  
Likes to crawl my lady  
All around the floor  
On her hands and knees  
Because she likes to please me  
But most important of all  
Let me tell ya

Refrain

And she's got taste my lady  
Pace my lady  
Makes my heart race  
With her pretty face  
She's got balls my lady  
Likes to crawl my lady  
Hands and knees  
All around the floor  
No one has to tell her what a fella is for  
But let me tell ya all

Refrain (x2)
