

Ride on - 1/1

Interprété par Ac/dc.

It's another lonely evenin'
In another lonely town
But I ain't too young to worry
And I ain't too old to cry
When a woman gets me down

Got another empty bottle
And another empty bed
Ain't young to admit it
And I'm not too old to lie
I'm just another empty head

That's why I'm lonely, I'm so lonely
But I know what I'm gonna do
I'm gonna ride on, ride on, ride on

Standing on the edge of the road
Thumb in the air
One of these days I'm gonna
Change my evil ways
'Till then I'll just keep riding on

Broke another promise
And I broke another heart
But I ain't too young to realise
That I ain't too old to try
Try to get back to the start
And it's another redlight street
And I ain't too old to hurry
Cause I ain't too old to die
But I sure am hard to beat

But I'm lonely, Lord I'm lonely
What am I gonna do
Ride on, ride on

Got myself a one-way ticket
Going the wrong way
Gonna change my evil ways
One of these days, one of these days
Ride on, ride on, gonna ride on
I'm gonna ride on
Looking for a truck
Keep on ridin'
Ridin' on and on and on and on and on and on and on and on
Gonna have myself a good time
One of these days, one of these days
