

Squealer - 1/1

Interprété par Ac/dc.

She said she'd never been
Never been touched before
She said she never been
This far before
She said she'd never liked
To be excited
She said she always had
Had to fight it
And she never won
She sais she'd never been
And I don't think
She'll ever ball no more
Fixed her good

Squealer, when I held her hand
Squealer, I made her understand
Squealer, when I kissed her lips
Squealer, sucked her finger tips
Squealer, started gettin' hot
Squealer, made it hard to stop
Squealer, got too much
Squealer, I think I got a magic touch
