

## The jack (version live) - 1/1

Interprété par Ac/dc.

She gave me her mind  
Then she gave me her body  
But she gave it to anybody  
But I made her cry  
And I made her scream  
And I curdled her cream  
But how was I to know that she had been there before  
She told me she was a virgin, any virgins in Glasgow ?  
She was number ninety nine  
On the clinical list  
And I fell in love with the dirty little bitch

She's got the jack, she's got the jack, she's got the jack  
She's got the jack, she's got the jack, she's got the jack  
She's got the jack, jack, jack, jack, jack, jack, jack  
She's got the jack

She's got the jack  
Give it to me, give it to me  
She's got the jack  
I want someone to give it to me  
She's got the jack  
Feel good  
etc...
