

What do you do for money honey - 1/1

Interprété par Ac/dc.

You're workin' in bars, ridin' in cars
Never gonna give it for free
Your apartment with a view on the finest avenue
Lookin' at your beat on the street
You're always pushin', shovin', satisfied with nothing
You bitch, you mst be gettin' old
So stop your on the road
All your diggin' for gold
You make me wonder
Yes I wonder, I wonder

Honey, what do you do for money
Honey, what do you do for money
Where do you get your kicks

You're lovin' on the take, and you're always on the make
Squeezin' all the blood outta men
They're all standin' in a queue, just to spend a night with you
It's business as usual again
You're always grabbin', stabbin', trying to get it back in
But, girl you must be gettin' slow
So stop your life on the road
All your diggin' for gold
You make me wonder
Yes I wonder, yes I wonder

Honey, what do you do for money
Honey, what do you do for money
Where do you get your kicks
What do you do for money honey
How do you get your kicks
What do you do for money honey
How do you get your licks
Honey, what do you do for money
Honey, what do you do for money
Honey, what do you do for money
Honey, what do you do for money
Honey, what do you do for money
Honey, what do you do for money
Honey, what do you do for money
