

# I Want To Know What Love Is - 1/1

Interprété par Foreigner.

I'm gotta take a little time  
A little time to think things over  
I better read between the lines  
In case I need it when I'm older

music

This mountain I must climb  
Feels like a world upon my shoulders  
Through the clouds I see love shine  
It keeps me warm as life grows colder

In my life there's been heartache and pain  
I don't know if I can face it again  
Can't stop now, I've traveled too far  
To change this lonely life

chorus:

=====

I want to know what love is  
I want you to show me  
I want to feel what love is  
I know you can show me

music

I'm gonna take a little time  
A little time to look around me  
I've got nowhere left to hide  
It looks like love has finally found me

In my life there's been heartache and pain  
I don't know if I can face it again  
Can't stop now, I've traveled too far  
To change this lonely life
