

Make me pure - 1/1

Interprété par Robbie Williams.

So I sing a song to reel 'em in
It's song I sung before and a song I'm gonna sing again
I mean every word, I don't mean a single one of them

Oh Lord, make me pure, but not yet

Don't have to try, I just dial it in
I never found a job that for me was worth bothering
I got a ton of selfish genes and lazy bones beneath this skin

Oh Lord, make me pure, but not yet

Smoking kills, sex sells
I got one hand in my pocket,
But the other one looks cool as hell
I know I'm gonna die so my revenge is living well

Oh Lord, make me pure, but not yet

I stopped praying, so I hope this song will do
I wrote it all for you
I'm not perfect, but you don't mind that, do you ?
I know you're there to pull me through, aren't you ?

So I look for love, I like the search
And I'll be standing for election all across
the known universe
And every president get the country she deserves

Oh Lord, make me pure, but not yet

And I've been seeing somebody's wife
She said she'd leave him for me
And I said that wasn't wise
You can't lie to a liar, because of all the lies

Oh Lord, please make me pure, but not yet
