

## Breathe no more - 1/1

**Interprété par Evanescence.**

I've been looking in the mirror for so long  
That I've come to believe my soul's on the other side  
All the little pieces falling shattered  
Shards of me too sharp to put back together  
Too small to matter  
But big enough to cut me into so many little pieces  
If I try to touch her  
And I bleed,  
I bleed  
And I breathe,  
I breathe no more

Take a breath as i try to draw from my spirit's well  
Yet again refuse to drink like a stubborn child  
Lie to me, convince me that I've been sick forever  
And all of this will make sense when I get better  
But I know the difference  
Between myself and my reflection  
I just can't help but to wonder:  
Which of us do you love?  
so I bleed,  
I bleed  
And I breathe,  
I breathe no-  
Bleed,  
I bleed,  
And I breathe,  
I breathe  
I breathe,  
I breathe...no...more.
