

## Please don't die - 1/2

Interprété par Robbie Williams.

Let me lie down  
Please dont wake me  
Nothings sacred  
And noone save me

In my black eye  
I can feel it moving closer  
Cant you hear it

Only gift you gave to me  
Self forfilling prophecy  
Here to change the sounds that shaped my life

And if you die before i leave  
What on earth becomes of me  
Look around theres noone here  
To love me and hold me

Take me  
Dancing  
I love music  
Keep on  
Singing  
We wont loose it

Bet ya  
Leaving  
Missing noone  
If your hearts run free  
Why cant we go on

Go on to till they kick us out  
We've everything to talk about  
I could bring a song into your life

If you should die before i leave  
What on earth becomes of me  
Look around theres noone here  
To love me and hold me

Maybe I been away to long  
I know i'm not always right, but is that wrong ?  
They say there is nothing i can do  
But to talk to strangers and wait for you

If you should die before i leave  
What on earth becomes of me

## Please don't die - 2/2

Look around theres noone here  
To love me and hold me

And if you die before I leave  
What on earth becomes of me  
Look around theres noone here  
Lo love me and hold me

Ooh ooh ooh !
