

Prowler - 1/2

Interprété par Iron Maiden.

Walking through the city
Looking oh so pretty
I've just got to find my way

See the ladies flashing
All their legs and lashes
I've just got to find a way

Chorus

Well you see me crawling through
The bushes with it open wide
What you seeing girl?
Can't you believe that feeling?
Can't you believe that feeling?
Can't you believe your eyes?
It's the real thing girl

Got me feeling myself
And reeling around
Got me talking but feel like
Walking around

Got me feeling myself
And reeling around
Got me talking but feel like
Walking around

Walking through the city
Looking oh so pretty
I've just got to find my way

See the ladies flashing
All their legs and lashes
I've just got to find a way

Chorus

Well you see me crawling through
The bushes with it open wide
What you seeing girl?
Can't you believe that feeling?
Can't you believe that feeling?
Can't you believe your eyes?
It's the real thing girl

Got me feeling myself

Prowler - 2/2

And reeling around
Got me talking but feel like
Walking around
