

## World hold on - 1/2

**Interprété par Bob Sinclar.**

Oh yeah, yeah...

Open up your heart, what do you feel

Open up your heart, what do you feel... is real

The big bang may be a million years away

But I can't think of a better time to say

World, hold on

Instead of messing with our future, open up inside

World, hold on

Wonder you will have to answer to the children of the sky

World, hold on

Instead of messing with our future

Tell me no more lies

World, hold on

Wonder you will have to answer to the children of the sky

Children of the sky...

Children of the sky...

Look inside, you'll find a deeper love

The kind that only comes from high above

If you ever meet your inner child, don't cry

Tell them everything is gonna be alright

World, hold on

Instead of messing with our future, open up inside

World, hold on

Wonder you will have to answer to the children of the sky

World, hold on

Come one, everybody in the universe, come on

World, hold on

Wonder you will have to answer to the children of the sky

Children of the sky... alright

Open up your heart

Tell me, how do you feel

Listen now, tell them everything, right here right now

Alright, everybody, here in the world

You are all the children, alright

Together now, unite, and fight... oooh

Open up you heart, no, peace, love for everyone

## World hold on - 2/2
