

## Grow up - 1/2

**Interprété par Simple Plan.**

This is who I am and this is what I like  
GC, sum and blink and MxPx is rockin' my room  
If you're looking for me I'll be at the show  
I can never find a better place to go  
Until the day I die, I promise I won't change  
So you better give up

I don't wanna be told to grow up  
And I don't wanna change  
I just wanna have fun  
I don't wanna be told to grow up  
And I don't wanna change  
So you better give up  
Cause I'm not gonna change  
I don't wanna grow up

I like to stay up late, spend hours on the phone  
Hanging out with all my friends and never being at home  
I'm impolite and I make fun of everyone  
I'm immature but I will stay this way forever  
Till the day I die, I promise I won't change  
So you better give up

I don't wanna be told to grow up  
And I don't wanna change  
I just wanna have fun  
I don't wanna be told to grow up  
And I don't wanna change  
So you better give up  
Cause I'm not gonna change  
I don't wanna grow up

I don't wanna be told to grow up (grow up, grow up)  
I don't wanna be told to grow up (grow up, grow up)

I don't want to be told to grow up  
And I don't wanna change  
I just want to have fun  
I don't want to be told to grow up  
And I don't wanna change  
So you better give up

I don't want to be told to grow up  
And I don't wanna change  
I just want to have fun  
I don't want to be told to grow up  
And I don't wanna change

## Grow up - 2/2

So you better give up  
No I Don't wanna change  
So you better give up

Cause I'm not gonna change  
I don't wanna grow up

Santa is coming tonight and I want a car,  
And I want a life, and I want a first class trip to Hawaii  
I want a life time supply of skittles, slurpys, and eskimo pie  
I want a DVD, a big screen tv just bring me things I don't need  
Cause now it's Christmas and I want everything  
I just can't wait Christmas so don't stop spendin  
I want a million gifts that's right  
Don't forget my Christmas list tonight

Cause now it's Christmas  
Somebuddy take me away,  
or give me a time machine to take me straight to midnight  
I'll be alright I want a girl in my bed who knows what to do  
A PlayStation 2, I want a shopping spree in New York City  
Just bring me things that I don't need  
Cause now it's Christmas and I want everything  
I just can't wait  
Christmas so don't stop spendin  
I want a Million gifts that's right  
don't forget my Christmas list tonight

Cuz now it's Christmas  
I wish I could take this day and make it last forever  
And no matter what I get tonight  
I want more it's Christmas and I want everything I just can't wait  
It's Christmas and I want everything now  
Christmas and I want everything I just can't wait  
Christmas so don't stop spendin I want a million gifts that's right  
And I can't wait 'til midnight  
Don't forget my Christmas list tonight  
Cause now it's Christmas  
Cause now it's Christmas  
Cause now it's Christmas
