

Killers - 1/2

Interprété par Iron Maiden.

You walk through the subway
His eyes burn a hole
Through your back
A footstep behind you
He lunges prepared for attack

Chorus

Scream for mercy
He laughs as he watches you bleed
Killer behind you
His blood lust defies all his needs

My innocent victims
Are slaughtered by wrath and despite
The mocking religion of hatred
That burns in the night

I have no-one
Am bound to destroy
In this need
A voice inside me
Compelling to satisfy me

My faith in beliving is stronger
That lifeliness and ties
With the glimmer of metal
My moment is ready to strike

The death call arises
A scream shatters peace in the night
Another tomorrow
Remember to walk in the light

I have found you
And now there is no place to run
Excitement shakes me
Oh god help me what i have done

You walk through the subway
His eyes burn a hole
Through your back
A footstep behind you
He lunges prepared for attack

Chorus

Killers - 2/2

Scream for mercy
He laughs as he watches you bleed
Killer behind you
His blood lust defies all his needs
