today is too late
how long do we have to wait
oh no, i think she knows
that's why i can't let go
i feel this burning inside
a feeling that no one should know
this could be so good again
i'd wait here till then
but not with this
so now i'll leave with

no apologies
i never thought you'd be so
easily deceived
now i'll just hang my head (i'm falling further out of place)
while I walk with the dead (all the lies I can't erase)
i'll just hang my head

we're mad with regret memories that we'll both forget so far it's been so hard to cover up these scars i see this falling apart it's easy to just let it go no luck between us both so i keep waiting but not with this so now i'll leave with

no apologies
i never thought you'd be so
easily deceived
now i'll just hang my head (i'm falling further out of place)
while I walk with the dead (all the lies I can't erase)
i'll just hang my head

what's left to show it's so bad but i got to know what's right don't know how to find it out on my own

one by one, we both fall down who's the first one to hit the ground now what's worse to kick or fall or be suss standing alone i'll keep your promises if you take back every thing i said

## **Noots - 2/2**

no apologies
i never thought you'd be so
easily deceived
now i'll just hang my head (i'm falling further out of place)
while I walk with the dead (all the lies I can't erase)
i'll just hang my head
