

## Miss murder - 1/1

**Interprété par Afi.**

Refrain:

Hey Miss Murder, can I  
Hey Miss Murder, can I  
Make beauty stay if I  
take my life?

With just a look they shook  
And heavens bowed before him.  
Simply a look can break your heart.  
The stars that pierce the sky,  
He left them all behind.  
We're left to wonder why  
He left us all behind.

Refrain

Dreams of his crash won't pass.  
Oh, how they all adored him.  
Beauty will last when spiraled down.  
The stars that mystified,  
he left them all behind  
and how his children cried.  
He left us all behind.

Refrain

What's the hook, the twist within this verbose mystery?  
I would gladly bet my life upon it  
that the ghost you love, your ray of light will fizzle out  
without hope.  
We're the empty set just floating through, wrapped in skin,  
ever searching for what we were promised...  
Reaching for that golden ring we'd never let go...  
Who would ever let us put their filthy hands upon it?
