

Hand of blood - 1/1

Interprété par Bullet For My Valentine.

There goes my Valentine again
Soaked in Red for what she said
And Now shes gone!

Oh my god have i done it again,
there's a pulse and its deafening
I cant help what i hear in my head,
Its the switch that i flip they said,
Hand of Blood!
I dont wana feel like my heart is breaking,
Hand OF Blood!
I dont wana see that life is burning

I saw you look away,
is what you've seen to much to take or are you blind and seeing nothing.
(I saw you run)I saw you run away,
Is what ive done to much to take or are you scared of being nothing.

Theres a stain on my hand, and its red
Oh my god, am i losing it?
I cant help what I've done or I've said
It's the button i push
Hand of Blood!
i dont wana feel like my heart is breaking,
Hand OF Blood!
I dont wana see that my life is burning.

I saw you look away,
Is what youve seen to much to take or are you blind and seeing nothing.
(I saw you run away) I saw you run away,
Is what ive done to much to take or are you scared of being nothing

(solo)

NOOOOOO!

ORRR!!!

I saw you look away,
is what youve seen to much to take or are you blind and seeing nothing
(I saw you run away)I saw you run away,
Is what ive done to much to take or are you scared of being nothing
