

Out of my hand - 1/1

Interprété par The Caesars.

It's out of my hands baby
Think about somebody new
Their feeling the sounds baby
Just to see what you're gonna do

It's out of my hands baby
They don't believe it could be this way
You don't understand baby
That things change from day to day

It's out of my hands baby
I know better than the rest of you
Stop making your plans baby
Just stick to what you're gonna do

It's out of my hands baby
It's out of my hands baby
It's out of my hands baby
It's out of my hands baby

It's out of my hands
It's out of my hands
It's out of my hands
It's out of my hands
It's out of my hands
It's out of my hands
It's out of my hands
It's out of my hands
It's out of my hands
It's out of my hands
It's out of my hands
It's out of my hands
