

Meds - 1/2

Interprété par Placebo.

I was alone, Falling free,
Trying my best not to forget
What happened to us,
What happened to me,
What happened as I let it slip.

I was confused by the powers that be,
Forgetting names and places.
Passersby were looking at me
As if they could erase it

Baby did you forget to take your meds?
Baby did you forget to take your meds?

I was alone,
Staring over the ledge,
Trying my best not to forget
All manner of joy
All manner of glee
And our one heroic pledge

How it mattered to us,
How it mattered to me,
And the consequences

I was confused,
By the birds and the bees
Forgetting if I meant it

Baby did you forget to take your meds?
Baby did you forget to take your meds?
Baby did you forget to take your meds?
Baby did you forget to take your meds?

And the Sex and the drugs and the complications
And the Sex and the drugs and the complications
And the Sex and the drugs and the complications
And the Sex and the drugs and the complications

Baby did you forget to take your meds?
Baby did you forget to take your meds?
Baby did you forget to take your meds?
Baby did you forget to take your meds?
Baby did you forget to take your meds?
Baby did you forget to take your meds?

I was alone,
