Yeah

Yeah

two sky's watching it all fading
two sky's living it all fading
two sky's watching it all fading
two sky's fading ones evading
two suns living it all dying
Two suns fighting ones abating
two suns watching them both fighting
two suns seeing the both dying
Two suns watching them both fighting
Two suns fighting ones abiding
Two sky's seeing them both dying
Two sky's fading ones evading

Crack pipes, needles, PCP and fast cars
Kind of mix really well in a dead movie star
When I feel like talking I never be wrong
If I feel like walking you best come a long
I close my windows
crank the heat up high
Till my palms are wet and my tongue is dry
Looking for a mother that will get me high
Just a stupid mother fucker if I die, I die

Im a midnight fist fight
Looking for a mother that will get me high
Just a stupid mother fucker if I die, I die
Im a midnight fist fight
Looking for a mother that will get me high
Just a stupid mother fucker if I die, I die,
Alright

I'm looking for a mother that will get me high
Just a stupid mother fucker if I die, I die
Alright
Looking for a mother that will get me high
Just a stupid mother fucker I die if I die,
Cause I'm looking for a mother that will get me high
Just a stupid mother fucker if I die, I die
I am looking for a mother that will get me high
Just a stupid mother fucker if I die, I die
Alright
