

## This cocaine makes me feel like i'm on this song - 1/2

Interprété par System Of A Down.

There's nothing wrong with me  
There's something wrong with you  
There's something wrong with me  
I hope your stepson doesn't eat the fish  
When we're crying four our next fix

There's nothing wrong with me  
There's something wrong with you  
There's something wrong with me  
I hope your stepson doesn't eat the fish  
When we're crying four our next fix

Killers never hurt feelings  
Killers never hurt feelings  
Killers never hurt feelings  
Gonorrhea gorgonzola  
Gonorrhea gorgonzola  
Single files of clean feedings

I can't see your soul soul through your eyes  
The crying walls of sliding architecture  
Kidnapped by the likes of pure conjecture

Upholstery loving men, all dwelling in the wells  
Kidnapped by the likes of pure conjecture

Killers never hurt feelings  
Killers never hurt feelings  
Killers never hurt feelings  
Gonorrhea gorgonzola  
Gonorrhea gorgonzola  
Single files of clean feedings

There's nothing wrong with me  
There's something wrong with you  
Wrong with you and I  
When we're crying for our next fix

There's nothing wrong with me  
There's something wrong with you  
Wrong with you and I  
When we're crying for our next fix

Killers never hurt feelings  
Killers never hurt feelings  
Killers never hurt feelings  
Gonorrhea gorgonzola
