

Angel - 1/1

Interprété par Kelly Clarkson.

Spend all your time waiting for that second chance for a break that would make it okay there's always some reason to feel not good enough and it's hard at the end of the day I need some distraction oh beautiful release memory seeps from my veins let me be empty and weightless and maybe I'll find some peace tonight

in the arms of the angel fly away from here from this dark cold hotel room and the endlessness that you fear you are pulled from the wreckage of your silent reverie you're in the arms of the angel may you find some comfort here

so tired of the straight line
and everywhere you turn
those vultures and thieves at your back
and the storm keeps on twisting
you keep on building the lie
that you make up for all that you lack
it don't make no difference
escaping one last time
it's easier to believe in this sweet madness oh
this glorious sadness that brings me to my knees

in the arms of the angel fly away from here from this dark cold hotel room and the endlessness that you fear you are pulled from the wreckage of your silent reverie you're in the arms of the angel may you find some comfort here you're in the arms of the angel may you find some comfort here
